

# Depeche Mode, One Caress

Well I'm down on my knees again  
And I pray to the only one  
Who has the strength  
To bear the pain  
To forgive all the things that I've done

Oh girl  
Lead me into your darkness  
When this world is trying it's hardest  
To leave me unimpressed  
Just one caress  
From you and I'm blessed

When you think you've tried every road  
Every avenue  
Take one more look  
At what you found old  
And in it you'll find something new

I'm shying from the light  
I always loved the night  
And now you offer me eternal darkness

I have to believe that sin  
Can make a better man  
It's the mood that I am in  
That's left us back where we began
