## Depeche Mode, Soothe My Soul

I'm coming for you when the sun goes down I'm coming for you When there's no-one around

I'll come to your house break down the door Girl I'm shaking I need more

There's only one way to soothe my soul (there's only one way to soothe my soul) /2x Only one way (only one way) /4x

I'm coming for you I need to feel your skin I'm coming for you To stop this crying

I'm taking my place by your side And I'm not leaving until I'm satisfied

Theres only one way to soothe my soul (there's only one way to soothe my soul) /2x Only one way (only one way) /4x

I'm coming for you my body's hungry I'm coming for you like a junkie

I can't stop desire in me I'm not waiting patiently

There's only one way to soothe my soul (there's only one way to soothe my soul) /4x Only one way (only one way) /4x

There's only one way to soothe my soul
