

Depeche Mode, Speak To Me

Speak to me, and I will follow
I heard you call my name
Lying, on the bathroom floor
No one here to blame
There's a message I know can be found
I'm listening, I hear you, your sound

Speak to me, in a language
That I can understand
Tell me, that you're listening
Give me some kind of plan
Give me something, you'd be my drug of choice
You lead me, I follow, your voice

I will disappoint you
I will let you down
I need to know
You're here with me
Turn it all around
I'd be grateful, I'd follow you around
I'm listening, I'm here now, I'm found
