Depeche Mode, What's Your Name?

Sometimes watch you walk the street at midnight Sometimes I can feel you in the air Looking good Knew you would All the time I understood

Hey, you're such a pretty boy, Hey, you're such a pretty boy, Hey, you're such a pretty boy, You're so pretty

Everybody seems to look your way now (Everybody seems to look your way) Everybody wants to know your name (Hey, hey, what's your name) Feeling right Just tonight Hear them say you're out of sight

All the boys we got to get together All the boys together we can stand We can go Never know All the things we need to show

Hey you're such a pretty boy (you're so pretty) Hey you're such a pretty boy (you're so pretty) Hey you're such a pretty boy You're so pretty (p-r-e, double-t-y)
