

# Deranged, Razor Divine

(Music: J. Axelsson, R. Wermn, D. Bengtsson / Lyric: D. Bengtsson)

I can't escape from all the hate  
I'm wallowing in blood  
Crawling through filth  
My mind is under siege

I will rise  
Rise again

I will improve the world  
I will terminate, the human race  
Red streams wherever I go  
Noise turns to silence  
Silence turns to rage

Razor divine  
Razor divine  
Razor divine  
Domination

I can't escape from all the hate  
I'm wallowing in blood  
Crawling through filth  
I will rise  
Rise again

In burning frustration I cut  
You're impure, crying in vain

Watch the blood you bleed ripple  
Silence is all that remains

Razor divine  
Razor divine  
Razor divine  
Domination
