

# Derek Trucks, All I Do

You left me moaning at  
Your back door  
The dog is barking I'm  
Back for more  
'Til every day  
And every night

The mood is gonna fit you  
And the feeling's gonna make it alright

I'm talking power failure  
For what I choose  
Women want a man  
I act a fool  
I'll make it up to you  
In due time

Until the mood is gonna fit you  
The feeling's gonna make it alright

All I do  
All I do is think about you  
All I do  
In the morning, at night  
I think about you, baby  
I can't sleep at night
