

# Des'ree, Feel So High

Show me your company  
Come and tell me who you be  
I'll try and take things easy

I'll be loose I'll be carefree  
I'm living for tomorrow not today  
Gotta make my plans so in case  
I'll be prepared when I see you smiling

[Chorus:]

'Cause I feel so high, I'm reaching out for your sky  
I've boundless energy too. I feel I could run a million miles  
I'm riding on the wheel of fortune, taking me to places far and free  
I feel so high when I approach your sky

When I touch your sky, I want my joy to be discreet  
Can't seem to hide the feeling that you knock me from my seat  
When I'm talking with my friends, you're the subject every time  
I know I bore them but they do it to me sometimes

[Chorus]

I've seen you exposed your thoughts are nude  
Come on take off your pride baby  
You should wash your attitude  
I'm sitting here watching you baby  
Trying to pretend your cool and calm  
Come on now you can tell me baby  
Did the gypsy read your palm

[Chorus]

I feel so high, when I'm touching your sky baby  
I feel so high  
I feel so high, when I'm touching your sky baby  
I feel so high yeah, yeah  
I feel so high, when I'm touching your sky baby  
I feel so high
