

DeSol, Letter From San Juan

I can't believe
what I'm going through
Sent you a letter
trying to get to you
Been waiting
so long for you to respond
carving on these walls
ain't helping me none

I'm in a jail
down in old San Juan
Prisoner of love
but not for long

Are you already gone?
Have you gone too far away?
This letter from old San Juan
is all I got left to say
But for your love
I'll wait another day

No communication
Satellites falling
Sound travels forever
Your name I been calling
Down on my luck
in Puerto Rico
You're so easy to remember,
so hard to let go

I'm in a jail
down in old San Juan
Singing our song
baby over and over

[Chorus]

Por tu amor
I'll wait another day
Por tu amor
I'll wait another day
Por tu amor
Yeah yeah yeah
