

DeSol, On My Way

I'm on my way
to the promised land
That's where I'll go
I'm on my way
I'm on my way
to the promised land
Thats where i go
I'm on my way

One dance
and you'll understand
Two dead in the devils hand
You and me we were born to rise
From the sun
the eagle's eyes

Hey man
the flag's a-waving
Visions our fathers created
spilt their blood on the desert floor
now go man go

(chorus)

Feel the spirit
moving door to door
The street explodes
the need for more
Raise your hands if you're with me please
Walk the talk
you're what you believe
People becoming aware
Change happening
in the air
There's fire wherever
or whether the wind will blow

(chorus)

Somebody told me baby
we shall inherit the earth
The sky's been falling baby yeah yeah
It's our time to go
to the promised land

(chorus)

Somebody told me baby
we shall inherit the earth
but that ain't even what I'm after
Somebody told me baby
we shall inherit the earth
The moon, the stars is what lies after

yeah
oh, I cant believe what I'm
I can't believe what I'm seeing
Everybody on the streets
Everybody get together now
yeah I'm on my way
