

# Destiny's Child, Brown Eyes(Cd Actual)

Remember the first day when I saw your face,  
Remember the first day when you smiled at me,  
You stepped to me and then you said to me  
I was the woman you dreamed about,  
Remember the first day when you called my house,  
Remember the first day when you took me out,  
We had butterflys,  
Although we tried to hide it,  
And we both had a beautiful night,  
The way we held each others hand,  
the way we talked,  
the way we laughed,  
I it felt so good to find true love,  
I knew right then and there you were the one

Chorus

I know that he loves me cuz he told me so,  
I know that he loves me cuz his feelings show,  
And when he's stares at me,  
you see he cares for me  
you see how he is so deep in love  
I know that he loves me cuz its obvious  
I know that he loves me cuz its me he trusts  
And he's missin' me  
if he's not kissing me  
and when he looks at me his brown eyes tell it so  
Remember the first day, the first day we kissed,  
Remember the first day we had an arguement  
We apologized and then we compromised  
and we haven't argued since  
Remember the first day we stopped playing games,  
Remember the first day you feel in love with me  
It felt so good for you to say those words  
Cuz I felt the same way too  
The way we held each other's hand,  
The way we talked, the way we laughed  
It felt so good to fall in love  
And I knew right then and there you were the one  
I know that he loves me cuz he told me so,  
I know that he loves cuz his feelings show,  
And when he's stares at me,  
you see he cares for me  
you see how he is so deep in love  
I know that he loves me cuz its obvious  
I know that he loves me cuz its me he trusts  
And he's missin' me  
if he's not kissing me  
and when he looks at me his brown eyes tell it so  
I'm so happy  
So happy that you're in my life  
and baby now that youre a part of me  
you've shown me  
shown me the true meaning of love (the true meaning of love)  
I know he loves me  
I know that he loves me cuz he told me so,  
I know that he loves cuz his feelings show,  
And when he's stares at me,  
you see he cares for me  
you see how he is so deep in love  
I know that he loves me cuz its obvious  
I know that he loves me cuz its me he trusts  
And he's missin' me  
if he's not kissing me  
and when he looks at me his brown eyes tell it so  
He looks at me...and his brown eyes tell it so
