

Destiny's Child, Hey Ladies

[Chorus:]

Hey ladies why is it that men can go do us wrong
Why is it that we just decide to keep holdin' on
Why is it that we never seem to just have the strength to leave
But he's got to go, he's got to go
Hey ladies why is it that men can go do us wrong
Why is it that we just decide to keep holdin' on
Why is it that we never seem to just have the strength to leave
But he's got to go, he's got to go

[Verse 1 Beyonce:]

My man's been cheatin' on me
Been runnin' round here wit' this little tenderoni
And don't think I haven't noticed
He's been actin' funny
Takin' too long to call me
And somebody told me
That the worst thing of it all is that he gave her money
Now how he gonna give her my ends
That's a no, no
My first reactions telling me he's got to go, go
But I just ain't for sure
Should I just let him go
Oh I don't know

[Hook:]

Yeah he did me wrong
But I love him so
I keep holding on
But he's got to go, he's got to go
Thought he was the one
But now I don't know
After what he's done
He's got to go, he's got to go

[Repeat Chorus]

[Verse 2 Beyonce:]

You keep rewinding it
Stopin' it and playing yourself over again
See I'm sick and tired of you doin' that same ol' sh--
Sick of your same routine
Now you've got to come clean
Cause it's killing me

[Repeat Hook]

[Repeat Chorus]

[Verse 3 Beyonce:]

I just don't understand
You get chance after chance
And you say that you'll do right
But I really do not know if you can
It's not in your plans
That you've shown
Can you change, don't think so
Now I gotta let you go
Got to go-go-go-go-go
Got to go-go-go-go-go

[Repeat chorus until fade]

[Repeat 2]

[Repeat 1]

[Repeat 2]

[Repeat 1]
