

# Destiny's Child, Know That

I like the way I feel  
The way you keep it real  
So many simple things  
That you don't know the joy you bring  
I like how you and me work  
when we hang out we're so happy  
I never want it to end  
I know that we'll always be down and be together  
cos that's how I want to be

Any time you're feelin down  
I will always be around  
Know that

You know that.

You don't have to go nowhere  
I will always be right here  
Know that

You know that..

I crazy 'bout the way  
You let me do my thing  
So many reasons why  
I want you in my life  
I like how you and me  
no doubt about  
We're were meant to be

I never want it to end  
I know that we'll always be down and be together  
that's how I want it to be

so..

no doubt about..  
I got ya back  
Can no one come between us

together -- forever babe
