

# Destiny's Child, Know That (Bonus Track)

I like the way I feel  
The way you keep it real  
So many simple things  
That you don't know the joy you bring  
I like how you and me work  
when we hang out we're so happy  
I never want it to end  
I know that we'll always be down and be together  
cos that's how I want to be  
Any time you're feelin' down  
I will always be around  
Know that  
You know that.  
You don't have to go nowhere  
I will always be right here  
Know that  
You know that..  
I'm crazy 'bout the way  
You let me do my thing  
So many reasons why  
I want you in my life  
I like how you and me  
no doubt about  
We're were meant to be  
I never want it to end  
I know that we'll always be down and be together  
that's how I want it to be  
so..  
no doubt about..  
I got ya back  
Can no one come between us  
together forever babe
