

# Destiny's Child, My Heart Still Beats

You're holding me  
I close my eyes  
You're whispering  
And I start to cry  
You feel so good  
So beautiful  
For as long as you live  
Don't let me go  
Just hold me  
Touch me  
Feel me  
As long as you love me  
Reach for me  
And need me  
If you could trust me  
And teach me  
Never let go of me  
Because you're half of me  
My heart still beats  
Looking in the eyes  
The eyes of love  
I hold your face  
And I see the sun  
And I taste your kiss  
You touch my soul  
I'm feeling things  
I've never felt before  
Just hold me  
Touch me  
Feel me  
As long as you love me  
Reach for me  
And need me  
If you could trust me  
And teach me  
Never let go of me  
Because you're half for me  
My heart still beats

I am feeling  
What they call pure love  
I never know  
Feelings like this  
Could exist  
Inside of me  
I'm soaring  
Emotions exploding  
I don't wanna live  
Another day if you're  
Not here with me  
Just hold me  
Touch me  
Feel me  
As long as you love me  
Reach for me  
And need me  
If you could trust me  
And teach me  
Never let go of me  
Because you're half of me  
My heart still beats  
Because you're half of me,  
My heart still beats  
My heart still beats
