

# Destiny's Child, Now That She's Gone

[Chorus:]

Now that she's gone you wanna come back  
Is that a fact?  
You've got it like that?  
You made me wait too long, I'm gone  
Now that she's gone you wanna come back  
Is that a fact?  
Think you've got it like that?  
You made me wait too long, I'm gone

[Verse 1 Kelly:]

Take her to the movies  
Dinner all the time  
Shopping sprees for her  
On me you never spent a dime  
But I was there for you  
When you had nothing at all  
Then you got a little job and  
She's the one you call  
And now

[Repeat Chorus]

[Verse 2 Beyonce:]

Oh now you're taking me for granted  
But you only get once chance  
Then you left me hurting  
And it won't happen again, no no  
So she finally left you  
It ain't no surprise  
That you missed your water  
Cause your well went dry, oh ho  
Now that's she's gone babe

[Repeat Chorus]

[Hook:]

Understand, I understand  
Why you think I want you back  
After what you did to me  
Did you think you blinded me?  
Boy you know whatever you do  
It will all come back on you  
Cause you tried to play me like a fool

Now that she's gone  
You, crawlin' back  
Got it like that  
You made me wait too long  
Oh, I'm gone  
Now that she's gone  
She's gone  
Come back, oh  
You made me wait too long  
Too long, too long, too long, too long,  
I'm gone  
[Repeat chorus until fade]
