

# Destiny's Child, Sail On

[Verse 1 Beyonce and Kelly:]

Sail on down the line  
But I have some money so, and I dont really wanna know  
Where you're going  
Maybe once or twice, you see  
Time after time, I tried, tried to hold on to what we've got  
But uh, now you're going  
And I dont mind about the things your going to say boy  
I gave all my money and my time  
I know, I know its a shame  
But Im giving you back your name  
Guess I'll be on my way, I wont be back to stay  
I guess I'll move along  
Im looking for a good time, a good time

[Verse 2 Beyonce and Kelly:]

Sail on down the line  
Aint it funny how the times can go  
All my friends say they told me so, but it doesnt matter  
It was plain to see, that a small town girl like me just  
Wasnt your cup of tea  
I was wishful thinking  
I gave you my heart, and I tried to make you happy  
And you gave me nothing in return  
You know, it aint so hard to say  
Would you please just go away  
Im throwin away the blues, Im tired of being used  
I want everyone to know,  
Im looking for a good time, good time

[Chorus:]

Sail on,  
Honey, good times never felt so good  
Sail on,  
Honey, goodtimes never felt so good  
Sail on,  
Sugar, goodtimes never felt so good

[Chorus until end]
