

Destiny's Child, Stay (Good Version)

oh oh...

Verse 1

Baby, I want from nothing
Just your tender sweet loving
I know you got your things to do
But tell me what means more to you
Hanging out with me or with your boys?
Sometime I do get lonely
With no you, no one to hold me
You want so much to lay me down
Is that what keeps you hanging around?
Is that the only way to win your heart?

Chorus

But if I loved you a little bit longer
If our love was a little bit stronger
Would you stay, stay, maybe this day
If I granted all of your wishes
Gave you more than touches and kisses
Would you stay, stay, I need you to stay

Verse 2

I'll be, be yours forever
But can we keep us together?
I know the time is drawing near
I promised you has it been a year?
Maybe now I'm ready we'll stay (stay)

Chorus

If I loved you a little bit longer
If our love was a little bit stronger
Would you stay, stay, baby please stay
If I granted all your wishes
Gave you more than touches and kisses
Would you stay, stay, I need you to stay

Verse 3

Every night and day I think about it
If you left me you could live without it
But I don't wanna do you that way
no no, no no no no
I don't know exactly what I'm dealing
I'm kinda scared but when I come to willing
Will you just promise me one thing (thing oh,no)
No matter what you're gonna say

Chorus x3 more stays on 2nd and 3rd time

If I loved you a little bit longer
If our love was a little bit stronger
Would you stay, stay, baby please stay
If I granted all of your wishes
If I gave you more than touches and kisses
Would you stay, stay, I need you to stay
Thou shall cherish life
