

# Destiny's Child, With Me

(Jermaine Dupri)

Everything you like is with me

So if you know like I know

This is where you need to be

(Destiny's Child)

Chorus:

Do you ever wonder when he

Don't come home who he goes to see

And why in the middle of the night he leaves you alone

Leaves you alone, he's with me

Do you ever wonder when he

Don't come home who he goes to see

And why in the middle of the night he leaves you alone

Cause everything he likes is with me

Verse One

See If I was in your shoes

I would have had to let him know

From the first sign of him tryin' to play

If he want me to stay

He's gotta let all that go

But no, you wanna stick around

and not believe in what you see

And while youre waitin'

Thinkin' everything's gonna be ok'

I've got 'm, I've got 'm right here with me

Repeat Chorus

Verse Two

I wanna call you so bad

And tell you where we started

And what we do

How long its been going on

And why he ain't gonna never come home

Cause I know what you didn't do

To make him stay

You see a bad performing

Unfulfilling woman

drives a man away

Repeat Chorus

Verse Three

Now as far as I know

He's in good hands

So you can stop callin' all around

Sayin' have you seen my man

Ain't no need to fuss and fight

Tryin' to make it right

Certain things ain't meant to be

And that's why, that's why he's right here with me

(Jermaine Dupri)

Everything you like is with me

So if you know

Like I know

This is where you need to be x4

Repeat chorus till the End
