

# Destroy!, Santa-God

Do you believe in Santa Claus?  
Do you believe in god?  
Are you bound by christianity  
Or another trite mythology

What's your god done for you lately?  
Did he pay your rent or just save you from your  
sins?

Have you heard from Allah christ or the  
Great pumpkin?  
The opium of the masses keeps you ignorant  
And blind

Time to realize that religion's nothing more  
Than a futil attempt to explain what we  
Cannot understand  
With superstition and fairy tales
