

Destroy The Runner, There Can Be No Hesitation

As I turn my face two ways.

Take a hold.

There can be no hesitation.

Tonight I must fight.

This won't be long.

I will meet you when I'm strong.

Ashes in my eyes bring scars of deception.

Blinded I am, forgive me.

Forgive me, for I was wrong.

There can be no hesitation.

Take my hand.

There can be no regrets.

Take this blindfold from me.
