

Destroy The Runner, Thoughts In Reverse

I feel it taking over everything inside of me.
And I'm losing control.
Weakness in my chest.
My heart stops beating.
Flat-lined and I'm in between.
This is my struggle.
This is emptiness.
Closer and closer again.
I feel it happening.
Holding fast to the hands of grace.
I know you're stronger inside, stronger than me.
Hope walks backwards.
My thoughts in reverse.
Scream for me, I'll hear your voice.
My heart knows no other.
