

# dEUS, Dream Sequence #1

My little dreamone, you O.K.?  
I'm thinking about you everyday  
along with your smile, I took my belongings  
along with the sunshine, I went away  
There is a space here, there is a void  
I need to find, a little more time gimme time  
Of all of the fuckups that I do  
I've saved up the best one for you  
heaven and moonshine, you gotta be kidding  
you wanted to give it a try and I didn't  
I never wanted to be looking back  
I need to find a little more insight gimme insight  
I'm getting better everyday  
I just don't care what they say  
people are talking, they were talking before  
they don't even know who we are anymore  
I never wanted to be looking back  
I need to find, some peace of mind  
gimme peace of mind

My little dreamone, you O.K.?  
I'm thinking about you everyday  
along with your smile, I took my belongings  
along with the sunshine, I went away

Whispered in  
The way you cling  
We find made  
Our special thing  
Stone Madly I  
Hellbent on my  
Coming for you
