

# Devendra Banhart, Hey Mama Wolf

When I'm in the woods  
I know what to call you now  
When I'm in the woods  
I know what to call you now  
Hey Mama Wolf  
Hey Mama Wolf  
Well maybe the mountains know what  
To call you now  
Maybe the mountains know what  
To call you now  
Hey Mama Wolf  
Hey Mama Wolf  
When I'm in a womb  
I know what to call you now  
And when a belly blooms  
I know what to call you now  
Hey Mama Wolf  
Hey Mama Wolf  
Well I can say Marie  
I know what to call you now  
Swimming in the sea  
I know what to call you now  
And when you swim with me  
I know what to call you now  
And when you're under me  
I know what to call you now
