

# Device, Close My Eyes Foreve (feat Lzzy Hale)

Baby, I get so scared inside and I don't really understand  
Is it love that's on my mind or is it fantasy?

Heaven, is in the palm of my hand and it's waiting here for you  
What am I supposed to do with a childhood tragedy?

If I close my eyes forever  
Will it all remain unchanged?

If I close my eyes forever  
Will it all remain the same?

Sometimes, its hard to hold on, so hard to hold on to my dreams

It isn't always what it seems when you're face to face with me

Like a dagger you stick me in the heart and taste the blood from my blade

And when we sleep would you shelter me in your warm and dark embrace?

If I close my eyes forever  
Will it all remain unchanged?

If i close my eyes forever  
Will it all remain the same?

Will you ever take me?

No I just can't take the pain

Would you ever trust me?

No I'll never feel the same

I know I've been so hard on you  
I know I've told you lies  
If I could have just one more wish  
I'd wipe the cobwebs from my eyes

If I close my eyes forever  
Will it all remain unchanged?

If I close my eyes forever  
will it all remain the same?

Close your eyes  
Close your eyes  
You gotta close your eyes for me
