I hear someone say: "Wake the fuck up!"

Wake up from what?

Dream or reality, no one fucking knows...

I hear someone say: "Wake the fuck up!"

Wake up from what?

Shut up, motherfucker!

Boom Boom Boom!!

Don't you fucking dare trying to control me.

I'll fucking think and act by myself.

Don't you people fucking dance around me.

Think and act on your own.

Is this a contradiction?

You manipulate people with words and inflict pain and damage on the world.

You are a demon that feeds on people's weakness.

I know what you did to me.

You'll do anything to get what you want.

I know what you did to me.

I hear someone say: "Wake the fuck up!"

Wake up from what?

Dream or reality, no one fucking knows...

I hear someone say: "Wake the fuck up!"

Wake up from what?

Shut up, motherfucker!
