[Ice-T sampled being scratched]

If you are offended.. by words..

If you are offended.. by, by words, by words..

If you are offended.. by, by word-words..

If you are offended.. by words..

[cuss words scratched in wherever quotations appear]

[Devin]

Don't come talkin that "shit", if your freak is a "bitch";

She's real easy to "fuck", she even sucked my "dick";

After I bust that "ass", didn't think of her as a "ho";

But she know after I "cum", then I gots ta go

That's enough for me she almost hurt my dick

And you gotta come home to this "dirty bitch";

She's a funky cock, "low mother-fuck-fucker";

And I'm a "nigga", who'll treat any hussy just like a "hooker";

But a ho is not a "slut", and a bitch is not a "tramp";

But what I like about 'em both is that they pussy get damp

And a "nigga" can "fuck" "shit" up, if they don't know

that a "dirty low slut", is a "tramp bitch ho";

Whatever!

Whatever!
