

Devon Cole, W.I.T.C.H.

Rumor on the street is that her apples are delicious
The jury said she's charming but her exes say she's wicked
I swear to God I saw her howling at the sky
She ain't out to get you but she's better on your side

And she don't wanna be anybody else
She's a woman in total control of herself
It's such a wonder to be under her spell
What a woman, in total control of herself

Villainous kitty queen, she's got tricks up her sleeve
And I got a few up mine
She said, am I bad to the bone cause I get what I want
Mama said it ain't no crime

And she don't wanna be anybody else
She's a woman in total control of herself
It's such a wonder to be under her spell
What a woman, in total control of herself

La, La, La, La, La, La, La X2

Come out and play, it's fun in the dark
Tell me why you're so scared of a woman in charge
Baby don't run, you're breaking my heart
Tell me why you're so scared of a woman in charge

And she don't wanna be anybody else
She's a woman in total control of herself
It's such a wonder to be under her spell
What a woman, in total control of herself

And she don't wanna be anybody else
She's a woman in total control of herself
It's such a wonder to be under her spell
What a woman, in total control of herself
