

Dexter Freebish, Life Of Saturday

I just wanna sail the seven seas and hide behind the sun,
and never close my eyes, lay on my back and fantasize
of the perfect place to be.

I wanna see the Mona Lisa, climb the pyramids of Giza on a moonlit night, yeah
I just wanna fantasize of the perfect place to be.

I just wanna disappear and feel like I'm free at last,
The time is right, my day has come, it's gonna start today,
my life of Saturdays.

I wanna see the seven wonders, feel the rolling thunder of a Spanish sky.
Lay on my back and fantasize of the perfect place to be.
I wanna swim the deepest ocean, be poetry in motion on a Paris night
I just wanna fantasize of the perfect place to be.

I just wanna disappear and feel like I'm free at last,
The time is right, my day has come, it's gonna start today,
my life of Saturdays.

Go around the world in eighty ways.
Never slow down, never fade away.

I just wanna sail the seven seas and hide behind the sun,
and never close my eyes, lay on my back and fantasize
of the perfect place to be.

I just wanna disappear and feel like I'm free at last,
The time is right, my day has come, it's gonna start today

I just wanna disappear and feel like I'm free at last,
The time is right, my day has come, it's gonna start today
My life of Saturdays, yea

Oh where will I go
Oh where will I go
Oh where will I go
