

# Dia Psalma, We Love You (Alla

He's sitting in his room with a razor in his hand  
a one way ticket to a foreign land  
thinking about his life, what he's done and all the joy  
wondering why he has been their toy

BUT YOU KNOW THAT  
WE ALL LOVE YOU  
THEY LOVE YOU  
WE LOVE YOU  
WHEN YOU ARE DEAD

She's laying in her bed, the disease is in her veins  
quarantine has locked her up in chains  
dreaming of a world where the weak can get a chance  
she feels her life is running out of her hands

BUT YOU KNOW THAT  
WE ALL LOVE YOU  
THEY LOVE YOU  
WE LOVE YOU  
WHEN YOU ARE DEAD

He's driving his old car on the traffic-jammed highway  
on his way home after a fucked up day  
he sees another car on the wrong side of the road  
nothing can be done to save his soul

BUT YOU KNOW THAT  
WE ALL LOVE YOU  
THEY LOVE YOU  
WE LOVE YOU  
WHEN YOU ARE DEAD
