

# Diablo Swing Orchestra, Porcelain Judas

Clean Yourself Of Dust From A Broken World  
Set Free To Adore  
Your Love Tastes Like Mine  
Empty Inside But With Nothing To Hide  
Your Throat Cries What Used To Be My Name  
Before The Guilt Drove You Insane  
Give In, Give Up 'Cause In The End You'll Follow Me  
I'll Reveal The Truth And All Of My Needs  
Without The Skin, The Bones I'm God  
Almighty Kneel Then Fear My Love  
You'll Be Tamed  
Lust In Spite Of What I Tend To See  
If I Dye Those Eyes I'll Dye Them  
Black Like Mine, Like Earthbound Wings Yearning For Sky  
Your Body Cries What Used To Be My Name  
Before The Guilt Drove You Insane  
Give In, Give Up 'Cause....  
Without The Skin, The Bones I'm God  
Almighty Kneel Then Fear My Love  
My Liquid Love Implodes Your World  
Your Shelter Came Undone So Long Ago
