

# Diabolic, Darken The Imagination

Masters to create  
Gathering in the dwelling  
Darken the imagination  
Uniting of the minds

Forging forth we think alike  
Absence of anything light  
Blacken hearts we then begin  
Ceremonies in the devil's den!!

Burning desires!!!  
Unholy sinful lives!!  
Practice the art of rage!!

Fearless for maximum cause  
Reckless we captivate  
Blasphemous immaculate  
Dominance at unrest!!

Mindstorms and mania  
Meditate to overpower  
Vanquish sounds of the deep!!

Assault on your sympathy  
Disruptive human nature rage  
Unrelent the only way  
On a razor's edge  
The flame we keep  
Pronounce to devastate  
Supremacy behold!!
