

Diabolic, Possess The Strength

We possess the strength
To conquer the vicious
Reverse the negative spiral
Adapt and attack!!

Undaunted!!
Unmoving!!

We possess the power
To defend the ideals
Negate the unjust assault
Enemies obsolete!!

We possess the knowledge
To surpass the weak
In defiance of cowardice
Pure thought ascends!!!

Undaunted!!
Unmoving!!
Unrelenting!!
We stand strong!!
Observe and evaluate!!
Deploy the punishment!!!

Eye to eye
No mercy
We hold no fear!!

Into the storm
We walk as one!!

And to the end
You'll find torment!!

Strength, power, knowledge
Our weapons remain!!
