

Dial, Hello

FATHER Hello!?!

CHILD Hello!?!

Hey you, were are you looking for me?
I'm right here!
Can you handle this without me?
When I'm not here?
I'd like to stay but they are calling my name
I'd love to wait with you but how?
All the things youve heard,
the things youve seen today
Will tomorrow seem so far away?

Hey you, I was looking for you!
You're right here!
Can I handle this without you?
When you're not here?

I'd like you to stay but they are
calling your name.
I'd love you to wait with me but how?

CHILD Wait with me, Stay with me!
FATHER Don't let me go without you!
CHILD Hold on me, stand by me!
FATHER Why don't you come with me now?
