DIAMANTE, 1987

I, I don't wanna talk right now I just might take the 60 out of town

Cause the radio keeps telling me to throw my hands up And my television's crying Armageddon So now I'm taking myself back in time

Tonight I'm dancing And I'm rocking And I'm rolling 'til the morning I'll be laughing as I'm going down to heaven Tonight I'm dancing like it's 1987 Yeah I'm dancing like it's 1987 1987

I, I'm kissing my phone goodbye Out of sight Gonna leave them high and dry Cause everybody's got a price to sell me But nobody looks me in the eye lately

Tonight I'm dancing And I'm rocking And I'm rolling 'til the morning I'll be laughing as I'm going down to heaven Tonight I'm dancing like it's 1987 Yeah I'm dancing like it's 1987 1987

Tonight I'm dancing And I'm rocking And I'm rolling 'til the morning I'll be laughing as I'm going down to heaven Tonight I'm dancing like it's 1987 Yeah I'm dancing like it's 1987 1987 Like it's 1987 1987 Tonight I'm dancing
