

# Diamond Rio, Close To The Edge

Well I've always been a rounder  
With a passion for the road  
Respect for all the ladies  
But easy come and easy go  
Love was only in the movies  
Not the answer to my dreams  
But you're pushin' different buttons  
And pullin' different strings

Chorus

You've got my heart a-coverin'  
Some unfamiliar ground  
I've never felt like this before  
Until you came around

If I ain't already fallin'  
I guess it could be said  
I'm walkin' mighty close to the edge

It's not too late to turn around  
But I'm feeling quite concerned  
One more kiss might take me  
Past the point of no return  
Oh, you've got me sendin' flowers  
And all sorts of crazy things  
I even caught myself a-gazin' at  
A fourteen-carat ring

Chorus
