

# Diamond Rio, Completely

(Diane Warren)

Completely, wanna give my love completely  
I'd rather be alone than be in love just half the way  
I want to find someone that I can trust  
Completely, wanna give my heart completely  
To someone who'll completely give their heart to only me  
And when I find that one  
That's when I'll fall in love

Completely  
Not half but whole  
With heart and soul  
Completely  
Not in between  
But everything  
Completely  
That's the way it's gotta be  
The way I want someone to fall in love with me

Forever wanna feel the word forever  
And know there'll be somebody there forever by my side  
And when that feeling comes  
That's when I'll give my love

Completely  
Not half but whole  
With heart and soul  
Completely  
Not in between  
But everything  
Completely  
That's the way it's gotta be  
The way I want someone to fall in love with me

It's all or nothing at all for this heart of mine  
And I won't give up this heart till the day I find  
Someone who needs me

Completely  
Not half but whole  
With heart and soul  
Completely  
Not in between  
But everything  
Completely  
That's the way it's gotta be  
the way I want someone to fall in love with me

The way I need someone to fall in love with me
