

Diamond Rio, Lyin' Eyes

City girls just seem to find out early
How to open doors with just a smile
A rich old man and she wont have to worry
Shell dress up all in lace and go in style.

Late at night a big old house gets lonely
I guess evry form of refuge has its price
And it breaks her heart to think her love is only
Given to a man with hands as cold as ice.

So she tells him she must go out for the evening
To comfort an old friend whos feelin down
But he knows where shes goin as shes leavin
She is headed for the cheatin side of town.

You cant hide your lyin eyes
And your smile is a thin disguise
I thought by now youd realize
There aint no way to hide your lyin' eyes.

--- Instrumental ---

On the other side of town a boy is waiting
With fiery eyes and dreams no one could steal
She drives on through the night anticipating
Cause he makes her feel the way she used to feel.

She rushes to his arms, they fall together
She whispers that its only for awhile
She swears that soon shell be comin back forever
She pulls away and leaves him with a smile.

You cant hid your lyin eyes
And your smile is a thin disguise
I thought by now youd realize
There aint now way to hide you lyin eyes.

--- Instrumental ---

She gets up and pours herself a strong one
And stares out at the stars up in the sky
Another night, its gonna be a long one
She draws the shade and hangs her head to cry.

She wonders how it ever got this crazy
She thinks about a boy she knew in school
Did she get tired or did she just get lazy?
Shes so far gone she feels just like a fool.

My, oh my, you sure know how to arrange things
You set it up so well, so carefully
Aint it funny how your new life didnt change things
Youre still the same old girl you used to be.

You cant hide your lyin' eyes
And your smile is a thin disguise
I thought by now youd realize
There aint no way to hide your lyin eyes.

There aint no way to hide your lyin eyes.
Honey, you cant hide your lyin eyes...
