

# Diamond Rio, Lyin' Eyes

City girls just seem to find out early  
How to open doors with just a smile  
A rich old man and she wont have to worry  
Shell dress up all in lace and go in style.

Late at night a big old house gets lonely  
I guess evry form of refuge has its price  
And it breaks her heart to think her love is only  
Given to a man with hands as cold as ice.

So she tells him she must go out for the evening  
To comfort an old friend whos feelin down  
But he knows where shes goin as shes leavin  
She is headed for the cheatin side of town.

You cant hide your lyin eyes  
And your smile is a thin disguise  
I thought by now youd realize  
There aint no way to hide your lyin' eyes.

--- Instrumental ---

On the other side of town a boy is waiting  
With fiery eyes and dreams no one could steal  
She drives on through the night anticipating  
Cause he makes her feel the way she used to feel.

She rushes to his arms, they fall together  
She whispers that its only for awhile  
She swears that soon shell be comin back forever  
She pulls away and leaves him with a smile.

You cant hid your lyin eyes  
And your smile is a thin disguise  
I thought by now youd realize  
There aint now way to hide you lyin eyes.

--- Instrumental ---

She gets up and pours herself a strong one  
And stares out at the stars up in the sky  
Another night, its gonna be a long one  
She draws the shade and hangs her head to cry.

She wonders how it ever got this crazy  
She thinks about a boy she knew in school  
Did she get tired or did she just get lazy?  
Shes so far gone she feels just like a fool.

My, oh my, you sure know how to arrange things  
You set it up so well, so carefully  
Aint it funny how your new life didnt change things  
Youre still the same old girl you used to be.

You cant hide your lyin' eyes  
And your smile is a thin disguise  
I thought by now youd realize  
There aint no way to hide your lyin eyes.

There aint no way to hide your lyin eyes.  
Honey, you cant hide your lyin eyes...
