

# Diamond Rio, Something Cool

(Kim Williams/L. David Lewis)

Something cool, hey, won't you pour me  
Something cool, set one up for me  
Anything will do  
Just make it something cool  
Something sad, hey, won't you play me  
Something sad, play one that slays me  
Play me something blue  
To go with something cool

There's an old flame burning in me  
Like the sun in a July sky  
Seems to me, I'm always thirsty  
Since she left me high and dry

Something cool  
Something cool

There's an old flame burning in me  
Like the sun in a July sky  
Seems to me, I'm always thirsty  
Since she left me high and dry

Something cool, hey, won't you pour me  
Something cool, set one up for me  
Anything will do  
Just make it something cool
