Diana DeGarmo, I Believe

Have you ever you ever reached a rainbow's end And did you find your pot of gold Ever catch a shooting star And tell me how high did you soar Ever felt like you were dreaming Just to find that you're awake And the magic that surrounds you Will lift you up and guide you on your way

I can see it in the stars across the sky Dreamt a hundred thousand dreams before Now I finally realize You see I've waited all my life for this moment to arrive And finally yeah

I believe in the impossible
If I reach deep within my heart
Overcome any obstacle
Won't let this dream fall apart
See I strive to be the very best
Shine my light for all to see
Cause anything is possible
When you believe yeah

I can see it in the stars across the sky Dreamt a hundred thousand dreams before Now I finally realize I've waited all my life for this moment to arrive And finally I believe Yes I believe

Ohh Yeah

Love keeps liftin me higher
Liftin me higher
Love keeps liftin me higher
I said love keeps liften
Love keeps liften me
I said Love keeps liften
Love keeps liften me higher
Said love keeps liften me higher
