## Diana King, Do You Really Want To Hurt Me?

Give me time To realize my crime Let me love and steal I have danced inside your eyes How can I be real Do you really want to hurt me Do you really want to make me cry Precious kisses Words that burn me Lovers never ask you why In my heart the fire's burning Choose my colour Find a star Precious people always tell me That's a step A step too far Do you really want to hurt me Do you really want to make me cry Do you really want to hurt me Do you really want to make me cry Words are few I have spoken I could waste a thousand years Wrapped in sorrow Words are token Come inside and catch my tears You've been talking but believe me If it's true You do not know This boy loves without a reason I'm prepared to let you go If it's love you want from me Then take it away Everything is not what you see It's over today

Do you really want to hurt me Do you really want to make me cry Do you really want to hurt me Do you really want to make me cry
