

Diana King, Find My Way Back (commercial Sing

I'm gonna find my way back
Find my way back
If it takes my whole life thru
I'm gonna find my way back
No matter what I must do
I'm gonna find my way back
Find my way back, find my way back
There's an ocean between us
I never meant it to be this way
Oh Lord if I could have foreseen this
I'd take us back to yesterday
If it takes my whole life thru
I'm gonna find my way back
No matter what I must do
I'm gonna find my way back to you
I wish I could turn back the time
Life was so much sweeter then, my friend
The only thing that keeps me alive
Is believing I'll be in your arms again, once again
If it takes my whole life thru
I'm gonna find my way back
No matter what I must do
I'm gonna find my way back to you
Even if I lose it all,
I'm gonna find my way back
No matter how far I fall,
I'm gonna find my way back to you.....
Find my way back, find my way back,
find my way back to you
