

Diana Krall, Do Nothin' Till You Hear From Me

Do nothin' till you hear from me
Pay no attention to what is said
Why people tear the seams of anyone's dreams?
It's over my head

Do nothin' till you hear from me
At least consider our romance
If you should take the word of others you've heard
I haven't a chance

True I've been seen with someone new
That doesn't mean that I've been untrue
Though we're apart these words in my heart
Reveal how I feel about you

So kiss me cloud my memory
And other arms may hold a thrill
But please do nothin' till you hear it from me
And you never will
