Diana Krall, Do Nothin' Till You Hear From Me

Do nothin' till you hear from me Pay no attention to what is said Why people tear the seams of anyone's dreams? It's over my head

Do nothin' till you hear from me At least consider our romance If you should take the word of others you've heard I haven't a chance

True I've been seen with someone new That doesn't mean that I've been untrue Though we're apart these words in my heart Reveal how I feel about you

So kiss me cloud my memory And other arms may hold a thrill But please do nothin' till you hear it from me And you never will
