

# Diana Ross, Don't Stop

Don't stop  
Love me right

Don't stop doing what you're doing  
The way you touch me makes me feel so good  
There's something about the way you love me  
Boy you got me calling out your name  
I love the way you love me baby  
I can never run away from you  
Give me all of your good love  
Until I overflow

Don't stop  
Don't stop  
Love me right  
Love me right

Kiss me any time you want to  
Love with you is where I wanna be  
Could we do what you do to me  
I just can't get enough

Don't stop  
Don't stop  
Love me right  
Love me right

I like what you do boy  
(I like what you do boy)  
You bring me so much joy  
(So much joy)  
So much that I can't get enough  
(I can't get enough)  
And I l-o-v-e you

Don't stop  
Don't stop  
Love me right  
Love me right

The time that you're givin' good  
I like it a lot  
It goes on and on  
And you know it don't stop  
As you relaxin' max as I kick dope tracks  
And yo' it's on like that  
With the D-I-A-N-A Ross  
Yeah you can't touch the boss  
'Coz baby got the bum love  
And you're only one that I'm thinking of  
It don't stop

Don't stop  
Don't stop  
Love me right  
Love me right

Don't stop  
Don't stop  
Love me right  
Love me right

Don't stop
