Diana Ross, Goodmorning Heartache

Goodmorning heartache You old gloomy sight Goodmorning heartache Thought we said goodbye last night I tossed and turned Until it seemed you had gone But here you are with the dawn

Wish I'd forget you But you're here to stay It seems I met you When my love went away Now every day I start by Saying to you Goodmorning heartache, what's new?

Stop haunting me now Can't shake you no how Just leave me alone I've got those monday blues Straight through sunday blues

Goodmorning heartache Here we go again Goodmorning heartache You're the one who knew me well Might as well get used to you Hangin' around Goodmorning heartache Sit down
