Diana Ross, I Cried For You (Now It's Your Turn

(A. Lyman/G. Arnheim/A. Freed)

I cried for you Now it's your turn to cry over me Every road has a turning That's one thing I'm learning

I cried for you
What a fool I used to be
Now I found two eyes
A little bit bluer
I found a heart
Just a little bit truer

I cried for you Now it's your turn to cry over me

I cried for you Now it's your turn to cry over me Every road has a turning That's one thing I'm learning

I cried for you What a fool I used to be Now I found two eyes Just a little bit bluer I found a heart Just a little bit truer

That I cried for you Now it's your turn to cry over me
