

# Diana Ross, I'm So Happy

(brenda russell/a. rich/chris difford)

What a sweet surprise  
Can't believe my eyes  
This has really made my day  
It's so out of the blue  
Runnin' in to you  
That I just don't know what to say  
It's so hard to forget the last time we met  
How everything just went so wrong

I'm so happy to see you again  
I'm so happy to see you again, yeah  
Haven't been so happy  
Since I don't know when to see you again

It does my heart good  
Oh, you know I could  
Just break down and cry  
Always felt so bad  
It still makes me sad for the way we said goodbye  
Oh, but seeing you here brings it back so clear  
We've been apart for too long

I'm so happy to see you again

I'm so happy to see you again, yeah  
Haven't been so happy  
Since I don't know when to see you again  
I'm so happy now

But has another found a love that I let down  
Love failed to recognize  
And if you're still all alone  
Well baby, come back home  
And let's give it one more try

I'm so happy to see you again  
I'm so happy to see you again, yeah  
Haven't been so happy  
Since I don't know, I don't know when to see you again

Ooh I'm so happy now

I'm so aah-aah-aah-aah-  
I don't know when to see you again  
To say it boy, you know, you know I'm so happy now

I'm so aah-aah-aah-aah-  
I don't know when to see you again  
Yeah, I'm so happy now
