## Diana Ross, Im Coming Out (Maurice Joshua Re

I'm coming out (I'm comin') I'm coming out I'm coming out I'm coming out I'm coming out i'm coming out

I'm coming out I want the world to know Got to let it show I'm coming out I want the world to know I got to let it show

There's a new me coming out And I just had to live And I wanna give I'm completely positive I think this time around I am gonna do it Like you never knew it Ooh, I'll make it through

The time has come for me To break out of the shell I have to shout That I am coming out

I'm coming out I want the world to know I got to let it show I'm coming out I want the world to know I got to let it show

I'm coming out (comin) I want the world to know

I got to let it show I'm comin I'm coming out (comin) I want the world to know I got to let it show

I've got to show the world All that I wanna be And all my abilities Ther's so much more to me Somehow, I'll have to make them Just understand I got it well in hand And, oh, how I have planned I'm spreadin' love There's no need to fear And I just feel so glad Everytime I hear:

I'm coming out I want the world to know I got to let it show I'm coming out (comin) I want the world to know I got to let it show I'm comin (x3)
