

# Diana Ross, Love Is Like An Itching In My Heart

The love bug done bit me  
Didn't mean for him to get me  
Woo, get up in the morning  
And I'm filled with desire  
No, no, I can't stop the fire  
Love is a real life wire  
Ooh, it's a burning sensation  
Far behind imagination

Love is like an itching in my heart  
Tearing it all apart  
Just an itching in my heart  
And baby, I can't scratch it  
Keeps me sighing, ooh  
Keeps me yearning

No, mama can't help me  
No, daddy can't help me  
I've been bitten by the love bug  
And I need some information  
To help me out this situation

Now, when you're ill  
You take a pill  
When your thirsty  
Drink your fill  
What you gonna do  
When love gets a hold  
A hold on you  
Love is like an itching in my heart  
And baby, I can't scratch it

Love is a nagging irritation  
Causing my heart complication  
Love is a growing infection  
And I don't know the correction  
Got me rockin' and areelin'  
And I can't shake the feelin'

Love is like an itching in my heart  
Tearing it all apart  
Just an itching in my heart  
And baby, I can't scratch it  
Keeps me sighing, ooh  
Keeps me yearning

Keeps me burning  
Keeps me tossing  
Keeps me turning  
Keeps me yearning

I've been bitten by the love bug  
And I need some information  
To help me out this situation  
Love is a nagging irritation  
Causing my heart complication

I've been bitten by the love bug...
